Tapered Protection Plugs / Caps – Large Flange

Same body design as previous EP 280 range with large cover flange

TRIPLE ADVANTAGE of PROTEC CAPTOP®

QUALITY. They are tapered in design and made from highly flexible polyethylene. Ideal for use on MIL Std. and SAE-type tube and hydraulic fittings, and for threaded external and internal NPT and BSP fittings.

Large flange for greater surface protection and easy removal.

AVAILABILITY. With over 400 million moulded components shipped from our UK logistics center we provide the fastest on time delivery service to all industries of the UK market.

PHILOSOPHY. Innovative protective closures at the best price in the market.

CAPTOP®

Material :
LLD-PE,
linear low density polyethylene

Standard Colour :
yellow

Individual Productions :
On request we develop and produce individually tailored solutions next to the standard items of this range: additional dimensions, different materials and new colours

We would be pleased to advise you.
